

INSTRUCTORS

RICHARD L. BIDWELL, P.E., F.NSPE

Dick Bidwell graduated from Virginia Polytechnic Institute & State University in 1950 with a BS degree in Mechanical Engineering. Dick was chief engineer of two Reynolds Metals plants, Corporate Director of Energy Resources and Corporate Director of Contracts & Regulations negotiating large energy contracts worldwide. He retired in 1993, and then served as a consultant to Reynolds for 7.5 years. He was licensed as a Professional Engineer in VA (1951) and Michigan (1963). He served on the APELSCIDLA Board from 1977-1982, president in 1978. Dick served as President of VSPE, 1992-1993, received VSPE's Engineer of the Year Award in 1974, and has received several Distinguished and Outstanding Service Awards. He was elected a Fellow of NSPE in 2001. Dick remained active in the Air Force Reserves after serving on active duty, and retired as Lieutenant Colonel in 1988.

EDWARD C. WESTERMAN, P.E., S.E.

Edward C. Westerman, P.E., S.E. is the Director of Licensure for VSPE as well as a Past President. Ed has been a member of the VSPE Board of Directors since 2006 and was re-elected in 2009 to another three year term. As Director of Licensure, he attends all APELSCIDLA Board and PE Section meetings on behalf of the VSPE membership. Ed is the Director of Structural Engineering for Clark Nexsen Architecture & Engineering and works in the firm's headquarters office in Norfolk, Va. He has been with the firm for 16 years. Ed is licensed as a Professional Engineer in 14 states and the District of Columbia and as a Structural Engineer in Illinois and Nebraska. He graduated from Virginia Polytechnic Institute and State University in 1993 with a Bachelor of Science degree in Civil Engineering and received a Master of Engineering degree in Civil Engineering from the University of Virginia in 1999.

CRAIG S. MOORE, P.E.

Craig S. Moore, P.E. is the President of VSPE. He has been a member of the VSPE Board of Directors since 2008 and was re-elected in 2009 to a three year term. He is the Associate Director for Project Administration and the Manager for Site Development at Virginia Tech. Craig has been working for Virginia Tech Facilities for more than five years, overseeing designs, developing and managing the stormwater program and project staff. Craig is licensed as a Professional Engineer in Virginia. He is also the chairperson for the Town of Christiansburg Planning Commission. Craig graduated from Virginia Polytechnic Institute and State University in 1996 with a Bachelor of Science degree in Civil Engineering and received a Master of Science degree in Civil Engineering from Virginia Tech in 2000.

3 REASONS WHY YOU SHOULD ATTEND

1. Gain a better understanding of the APELSCIDLA Regulations and how they impact your practice as a professional.
2. Become familiar with the ethical responsibilities of licensed design professionals.
3. Earn 5 of the 16 continuing education credits required to renew your professional license.

VIRGINIA SOCIETY OF PROFESSIONAL ENGINEERS

The only professional membership organization in the Commonwealth of Virginia dedicated to the interests of Professional Engineers and those in the licensure track.

VSPE has a duty to its members to be actively involved whenever there are issues that directly, or indirectly, affect the engineering profession. This duty includes:

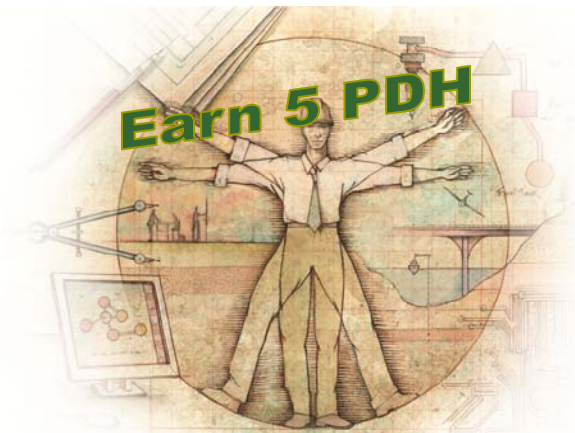

- * Providing educational opportunities
- * Proactively lobbying Legislators
- * Being actively involved when new regulations are developed and subsequently implemented

For more information about all that we do, please visit us at www.VSPE.org.
